

WHO ARE WE?

Domaine Thomson Wines is a family-owned organic wine producer with vineyards in Central Otago, New Zealand and Burgundy, France. Our facilities and Cellar Door in the heart of Central Otago Wine Country, reflect our commitment to producing the finest wines and experiences available to you as our guests as well as showcasing our organic and bio-dynamic growing practices.

OUR WINES

In Central Otago, we produce a range of award-winning Pinot Noir wines, along with a Pinot Noir Rosé. In Burgundy, France, we continue the Pinot Noir theme and make some delicious Chardonnay wines and a Crémant de Bourgogne.

"The BEST of Central - The venue at Domaine Thomson was and is a beautiful environment for a gathering like ours. The building is a warm and attractive venue, classy in every aspect. When the catering and wines are added to the mix, the whole event was one of the highest class. It exceeded our expectations by a large measure. We look forward eagerly to more of the same"
